

Shiwanshu Shubham

UI/UX Designer

Ranchi
shiwanshudev@outlook.com
<https://shiwanshudevsn.vercel.app/>

I am a dedicated UI/UX Designer with over 1.5 years of experience creating intuitive, user-centered digital interfaces. Skilled in both design and frontend development, I deliver visually appealing, responsive solutions that enhance user engagement and satisfaction. Proficient in user research, wireframing, prototyping, and usability testing, I apply best practices to optimize functionality and aesthetics.

WORK EXPERIENCE

Con10T Labs • 12/2022 - 04/2024

Frontend Developer

- Designed and implemented a user-friendly admin panel, streamlining data handling and boosting backend performance.
- Revamped the CAP10 social media app's user interface within 4 months, boosting user engagement through targeted user-centered design strategies.
- Developed and optimized the company website, significantly enhancing the overall customer experience.
- Collaborated with cross-functional teams to gather requirements and translate them into functional specifications for website enhancements.

PROJECTS

Brand Identity Design

Freelance

- Developed a comprehensive brand identity for Daniel Gerep, ensuring alignment with client vision and market positioning.
- Designed a distinctive logo that enhanced brand recognition and appealed to target audiences.

Marketing Agency Website

Freelance

- Delivered comprehensive UI designs for a digital marketing agency's website.
- Produced wireframes, prototypes, and both low-fidelity and high-fidelity mockups using Figma.
