

SHIWANSHU SHUBHAM

Graphics & UI/UX Designer

✉ shiwanshudev@outlook.com 📍 Ranchi, India 🔗 shiwanshudeesigns.vercel.app

📄 PROFILE

Dedicated UI/UX Designer with 1.5+ years of full-time experience building intuitive digital products, complemented by independent work in brand identity and digital art. Rooted in a strong frontend development background (React, Next.js), I bridge visual design and technical execution to deliver high-fidelity, developer-friendly prototypes. From user research to usability testing, I create responsive, accessible interfaces that balance modern aesthetics with system efficiency.

🧠 SKILLS

Design: Figma | Photoshop | After Effects | Canva | Visual Design | Design Systems

UX Process: User Research & Testing | Wireframing | Prototyping | Interaction Design

Development: React.js | Next.js | JavaScript | HTML5 & CSS3 | Generative AI

📜 CERTIFICATES

Google Foundations of User Experience (UX) Design: [🔗](#)
Coursera | Oct 2025

Figma Pro Pt. 1: Auto Layouts, Grids & Components: [🔗](#) Coursera | Oct 2025

📁 WORK EXPERIENCE

UI/UX Designer, Independent / Freelance
04/2022 – Present | Remote

- Translate client requirements into actionable project plans and comprehensive design strategies, managing end-to-end delivery.
- Develop complete design systems and brand guidelines encompassing typography, color palettes, and iconography.
- Design intuitive user experiences through wireframing, high-fidelity UI design, and interactive prototyping across web and mobile.

Frontend Developer, Con10T Labs
12/2022 – 04/2024

- Designed and built a user-friendly admin panel, streamlining data handling and boosting backend performance.
- Revamped the CAP10 social media app's interface within 4 months, increasing engagement through user-centered design strategies.
- Developed and optimized the company website, significantly enhancing overall customer experience.
- Collaborated with cross-functional teams to translate requirements into functional specifications for website enhancements.

🎓 EDUCATION

SRM University, Chennai, Master of Computer Applications (MCA)
05/2026 | Chennai, India
• GPA: 9.3 / 10

Sikkim Manipal University, Gangtok, Bachelor of Science in Information Technology (B.Sc. IT)
01/2022 | Gangtok, India

📁 PROJECTS

Pixlor Wallet, UI/UX · Fintech · App Design
2026

- Designed a sleek dark-mode crypto wallet app with real-time portfolio tracking, market search, and detailed coin views – delivering a premium, clutter-free fintech experience.

Excelfore Social Post, Graphics Design · Brand Identity
2026

- Designed a brand-aligned social media carousel using futuristic automotive imagery to represent OTA updates, highlighting the software's AI capabilities.

Signature Grooming, Brand Identity · UI/UX · Design System
2026

- Elevated a heritage barber shop into a premium digital brand. Streamlined the appointment booking flow for high-end clientele, increasing booking conversion rates.
